Request for Suspension of Action

37 CFR 1.103(b) or (c)

Note to Examiner:

☒ The CPA or RCE filed on 10.15.01 was accompanied by a proper request for suspension of action for a period of 3 months. The application has been placed in a suspended status and will be placed on the examiner's amended docket at the end of the suspension period, unless the applicant requests termination prior to that time.

☐ The CPA or RCE filed on _____ was accompanied by an improper request for suspension of action. The application has been placed on the examiner's amended docket. Since the request for suspension is improper please notify applicant that the request has been denied in the next Office action. The following language may be used:

Applicant's request filed _____, for suspension of action in this application is denied as being improper. The request was not filed at the time of filing a CPA or RCE, and/or not accompanied by the requisite.

☐ In response to applicant's request filed on _____, for termination of the suspension of action, the suspension has been terminated and the application has been placed on the examiner's amended docket.
